

**(Titus 2 v 11)**

The grace of God  
has been revealed  
bringing salvation to all people  
And by His grace  
He made us righteous  
And gave us confidence that we will inherit

Life, eternal life,  
Grace, amazing grace  
Freely, He gives to us  
Perfect and unconditional love (x4)

Outrageous mercy, undeserved  
Extravagant blessing, we could not earn  
No condemnation, no fear of death,  
Freely given, freely given, freely given

Perfect and unconditional love (x8)
